in pursuant to Section-4 of the Right to Information Act, 2005.—

Sl. No.	Particulars	Details
1	2	3
(i)	The particulars of its organization, functions and duties;	<p>Department of Information Technology, H. P., Block No. 24, SDA Complex, Kasumpti, Shimla-9.</p> <p>Functions :</p> <ol style="list-style-type: none"> 1. Formulation and implementation of the Information Technology policy in the State. 2. Introduction of automation and cybernation control systems so as to ensure faster information processing within Government, including projects and activities relating to e-governance. 3. Promotion of investment in Information Technology Sector (hardware, software and services—particularly ITES and BPO) and related activities and creation and upgradation of Information Technology infrastructure in the State. 4. Assistance in development & implementation of software packages for monitoring of key parameters & computerisation of thrust areas in different departments and semi-government organisations. 5. Creation of Govt.-Public Interface through unified service delivery channel by using IT & IT enabled infrastructure and also to launch awareness campaigns on the advantages of the use of IT and related technologies in enhancing the standard of living and improving quality of life. 6. Standardisation of hardware/software platforms for the Departments/Organisations and to ensure dynamic monitoring of their prices and minimisation of wasteful expenditure. 7. Administrative control of H.P. State Electronics Development Corporation. 8. Formulation of strategy for a State Wide Intranet by minimising. 9. Development of IT related communication infrastructure. 10. Assistance to the departments/ semi-government organisations in creating and updating websites. 11. Promotion of Information Technology education & training in educational institutions & government departments/ semi-government organisations and facilitation of development/dissemination of educational software and promoting programmes in IT enabled education. 12. Organisation of various promotional activities like national/international conferences/seminars and participation in the same.

13. Follow up of IT related projects/schemes posed to Govt. of India and its agencies and also other players in this field in India as well as abroad.
14. Facilitating establishment of Venture Capital Fund by financial institutions for growth of IT industry in the State.
15. Identification of laws and rules which need to be modified or enacted to enable legal validation for transaction and also to develop specific Cyber-Coding for ensuring and maintaining secrecy and also to act as nodal agency/authority on behalf of State Govt. for matters relating to Information Technology Act and similar other Central or State Legislations.
16. Maintenance of database for all IT related material and human resources available in the State.

Duties :

To perform all the functions of the Department as mentioned above.

Director, Information Technology :

Overall administrative & financial control of the Department as per delegation of powers in the single line administration under the Secretary.

Additional Director (IT) :

Assistance to the Director, IT & also to perform specific tasks assigned to him. Supervision of three wings in the Department.

IT Promotion Wing (Headed by Sr. Manager (IT) :

IT City/Park : In order to promote the growth of IT all over the State, it is imperative that hi-tech habitats are built in and around all major towns. Such space is extremely useful to promote the growth of IT enabled services—a sector that is providing jobs to millions. The department has identified locations for hi-tech habitats in various parts of the state.

Promotional Activities : Department participates in various IT fairs/ conferences e.g. GITEX, IT India IITF, convergence to promote Himachal Pradesh as an ideal destination for IT investment and show case achievements. The department plans to ensure setting up of IT hardware and software industries and generate employment for the citizens of Himachal Pradesh in the field of IT.

(ii) The powers and duties of its officers and employees;

1

2

3

Co-ordination with Agriculture, Horticulture, Fisheries, Animal Husbandry, H.P. Marketing Board and Rural Development & Panchayati Raj Departments—for e-governance activities (including updation of website).

IT for Employment : To use Information Technology for generating additional employment for the new digital economy and governance. More and more big Hardware companies are in the process of setting up industrial units in Himachal Pradesh and thus there are tremendous opportunities for employment.

Identification of laws and rules which need to be modified or enacted to enable legal validation of transaction and also to develop specific Cyber Coding for ensuring and maintaining secrecy and also to act as nodal agency/ authority on behalf of State Govt. for matters related to Information Technology Act and similar other Central or State Legislation.

E-Governance Wing (Headed by Manager (IT)) :

Development & implementation of G2C, G2B and G2G interfaces to bring ease and efficiency in the functioning of government through proper use of ICT tools Develop software packages/ projects for line departments, Empanelment of IT Solution Providers, Communication, Standardisation of hardware/ software platforms, Training to Govt. officials, Monitoring and co-ordination of network management.
